

## Recognizing UFC 2009 Scholarship Recipients

In an effort to support the next generation of members, the Board of Directors helped organize and establish a foundation that awards scholarships to deserving dependents of voting members and employees.

It was our pleasure to award these \$750 scholarships to the children of five members and two employees

during various awards programs throughout our area. We had a tremendous response to this program and we look forward to continuing it in the future. We feel it is a worthwhile way to encourage our youth to pursue higher education. «
